

Rooftop Loader – Colorado Springs, CO

What began in 1913 as a small manufacturer of pipe insulation has grown into the number one choice throughout the country for virtually all insulations and accessories from pipes to HVAC to roofing products. Headquartered in St. Paul, Minnesota, MacArthur Co.'s huge selection of best-in-class products and our strong dedication to customer service has helped us become the preferred reseller for contractors around the country – many of which have been our customers for multiple generations.

MacArthur Co. is an employee-owned company. So when you work for us, you're more than a staff member—you're an owner. Our highly-competitive employee stock ownership plan gives you a larger stake in your work and can help you retire in more comfort. MacArthur Co. offers competitive salaries and robust benefits packages, including: 401k, health and dental insurance and again our employee stock ownership plan.

Job Description

MacArthur Co. has an opening for a Rooftop Loader in our Colorado Springs location. The Rooftop Loader will support the Driver at the Branch, by loading the truck and riding with the Driver to the job site to unload the building materials safely and efficiently. The shingles and roofing materials will be unloaded onto the roof of the building and stacked properly with attention being paid to homeowners' property.

Responsibilities

- Responsible for loading and unloading customer and company vehicles
- Loads roofing shingles onto roofs as well as other material handling in the yard and on jobsites
- Catch material off of conveyor and stack shingle bundles and other roofing material as directed
- Assist driver in evaluating the delivery site, noting potential hazards, obstacles, physical challenges, etc. to avoid any damage to customer site
- Operate a forklift and hand controls in a safe manner
- Treat all customers, contractors, and coworkers in a courteous, considerate and cooperative manner
- Load and unload materials for transportation with attention to detail and accuracy
- Follow safety rules and regulations
- Performs general facility cleanup and other duties as assigned
- Regular, reliable, predictable attendance

Required Qualifications

- Be able to drive a forklift
- Must be able to lift up to 100 pounds frequently
- Willing and able to load a roof
- Basic reading, writing and mathematical skills
- Be able to pass pre-employment drug screening
- Be able to work as a team member

Preferred Qualifications

- Experience working in a warehouse
