

Warehouse Worker – Butler, WI

What began in 1913 as a small manufacturer of pipe insulation has grown into the number one choice throughout the country for virtually all insulations and accessories from pipes to HVAC to roofing products. Headquartered in St. Paul, Minnesota, MacArthur Co.'s huge selection of best-in-class products and our strong dedication to customer service has helped us become the preferred reseller for contractors around the country – many of which have been our customers for multiple generations.

MacArthur Co. is an employee-owned company. So when you work for us, you're more than a staff member—you're an owner. Our highly-competitive employee stock ownership plan gives you a larger stake in your work and can help you retire in more comfort. MacArthur Co. offers competitive salaries and robust benefits packages, including: 401k, health and dental insurance and again our employee stock ownership plan.

Job Description

Warehouse Worker: Pulling and packing customer orders in a swift and accurate manor. Loading and unloading materials with a forklift. Some loading and unloading of insulation products done by hand.

Responsibilities

Reading customer order picking tickets and pulling and packing orders accurately to be staged for loading. Assisting to load trucks and working with truck drivers. Pulling and packing customer orders for pick-up (will call) by the customers. Assisting customers with loading and unloading of their vehicles. Accurately writing up material returns and returning them to the proper warehouse locations. Unloading truckloads of material from manufacturers and checking them in for accuracy. Stocking shelves with the materials that have been received in from the manufacturer. Assisting to keep the warehouse clean and safe. General warehouse type work or projects at the guidance/instruction of the warehouse manager.

Required Qualifications

- Basic math skills (addition/subtraction/multiplication/division).
- 2 years or more of warehouse experience.
- 2 years or more of forklift experience.

Preferred Qualifications

- Building materials experience in the areas of roofing, mechanical insulation or HVAC products.
